Job Code Title: Nursery Worker							
O'Net Code: 45-2092.00 Fa	rmworkers and Laborers, Crop, Nursery, and Greenhouse if the purpose of the job matches the occupational standard): Under supervision, perform	as manual labor and appratos machinery pagescany to grow pursory and forestry					
products.	i the purpose of the job matches the occupational standard). Onder supervision, perior	is manual labor and operates machinery necessary to grow hursery and lorestry					
producto.							
	assification Review (If at least 70% of the time spent performing the work in the job manual standard or use an "all other" template): ☐ Job Description Review ☐ Reclas						
% Representative Duties Performed at All Levels (Add percent of time matching the standard. Leave boxes unchecked if the work duty is not performed in the job. Classification does not require all boxes in this section be checked.): Prepare planting areas by digging, raking, and screening soil for cold frames and hot beds. Plant, transplant, grow, harvest, pot and label seedlings, cuttings, trees, plants and shrubs. Water, monitor, weed, thin, fertilize, spray, and prune seedlings, plants, and shrubs. Collect, clean, and organize native wildland seeds. Propagate seeds for production, including stratifying seed lots, sowing seeds in greenhouse, and planting plugs into seed beds. Prepare plants, shrubs, and trees for delivery by pulling, tying, wrapping roots and packing containers. Operate machinery for plowing, planting, cultivating, and fertilizing soil. Regulate and monitor greenhouse conditions and manage indoor/outdoor irrigation systems. May perform maintenance and repairs on buildings, equipment, fences and other structures as needed.							
 Check any boxes* in this standard matching the minimum requirements (including statutory requirements*, if any) for the position's job description. Check the box beside the job code and title matching the duties performed by the position. If the position does not perform all additional duties and meet all minimum requirements for higher levels, but still matches the overall 70% threshold for the occupation, check the box beside level 1. The job can't be classified higher than level 1 unless all the level's additional duties and other minimum requirements are performed by the position. 							
The jew dan't be diadenic	ed higher than level 1 unless all the level's additional duties and other minimum requirem	ents are performed by the position.
